

EP BALANCE PLUS

- Increase energy and stamina
- Maintains bone density
- Improves sleep quality
- Boost immune support

Multivitamin for Men and Women

Studies have shown that three out of four people do not receive the minimum Recommended Daily Allowance of essential nutrients. EP BalancePlus contains all the essential vitamins and minerals needed for optimal health and vital functions. It has nearly all trace minerals known to man. Trace minerals are like individual bricks and are needed to build and support the human structure. All minerals included in EP BalancePlus are chelated which allows optimal absorption.

FOR MEN AND WOMEN

Supplement Facts

Serving Size 4 Capsules Servings Per Container: 45

	Amount Per Serving	%Daily Value

EP BalancePlus contains powerful plant based antioxidants which provide some of the most potent cellular protection available. These remarkable ingredients help protect your body from the ravaging effects of free radicals.

Amino acids play central roles both as building blocks of proteins and as intermediates in metabolism.

Protein substances make up the muscles, tendons, organs, glands, nails, and hair. Growth, repair and maintenance of all cells are dependent upon them. Next to water, protein makes up the greatest portion of our body weight. EP BalancePlus contains several key amino acids.
